

A BIBLICAL SLIDE-RULE

**The truth of the last 10 days
of the Messiah, Yahushua.**

Can we know it?

A BIBLICAL SLIDE-RULE

1. When did the Messiah **arrive** in Bethany
2. When did the Messiah **enter** Jerusalem
3. What **day of the week** did the Messiah die
4. What **day of the week** was the resurrection
5. How **long** was the Messiah in the Tomb

A BIBLICAL SLIDE-RULE

With the help of this **biblical slide-rule, we can learn the answers that have eluded many.**

A BIBLICAL SLIDE-RULE

**The truth of the last 10 days
of the Messiah, Yahushua.**

Part 1 - The Prophecies

Yericho to the Resurrection

Luke 19:28 And having said this, He went on ahead, **going up to Yerushalayim.**

John 11:18 Now **Běyth Anyah** was near Yerushalayim, **about three kilometres away.**

Yericho to the Resurrection

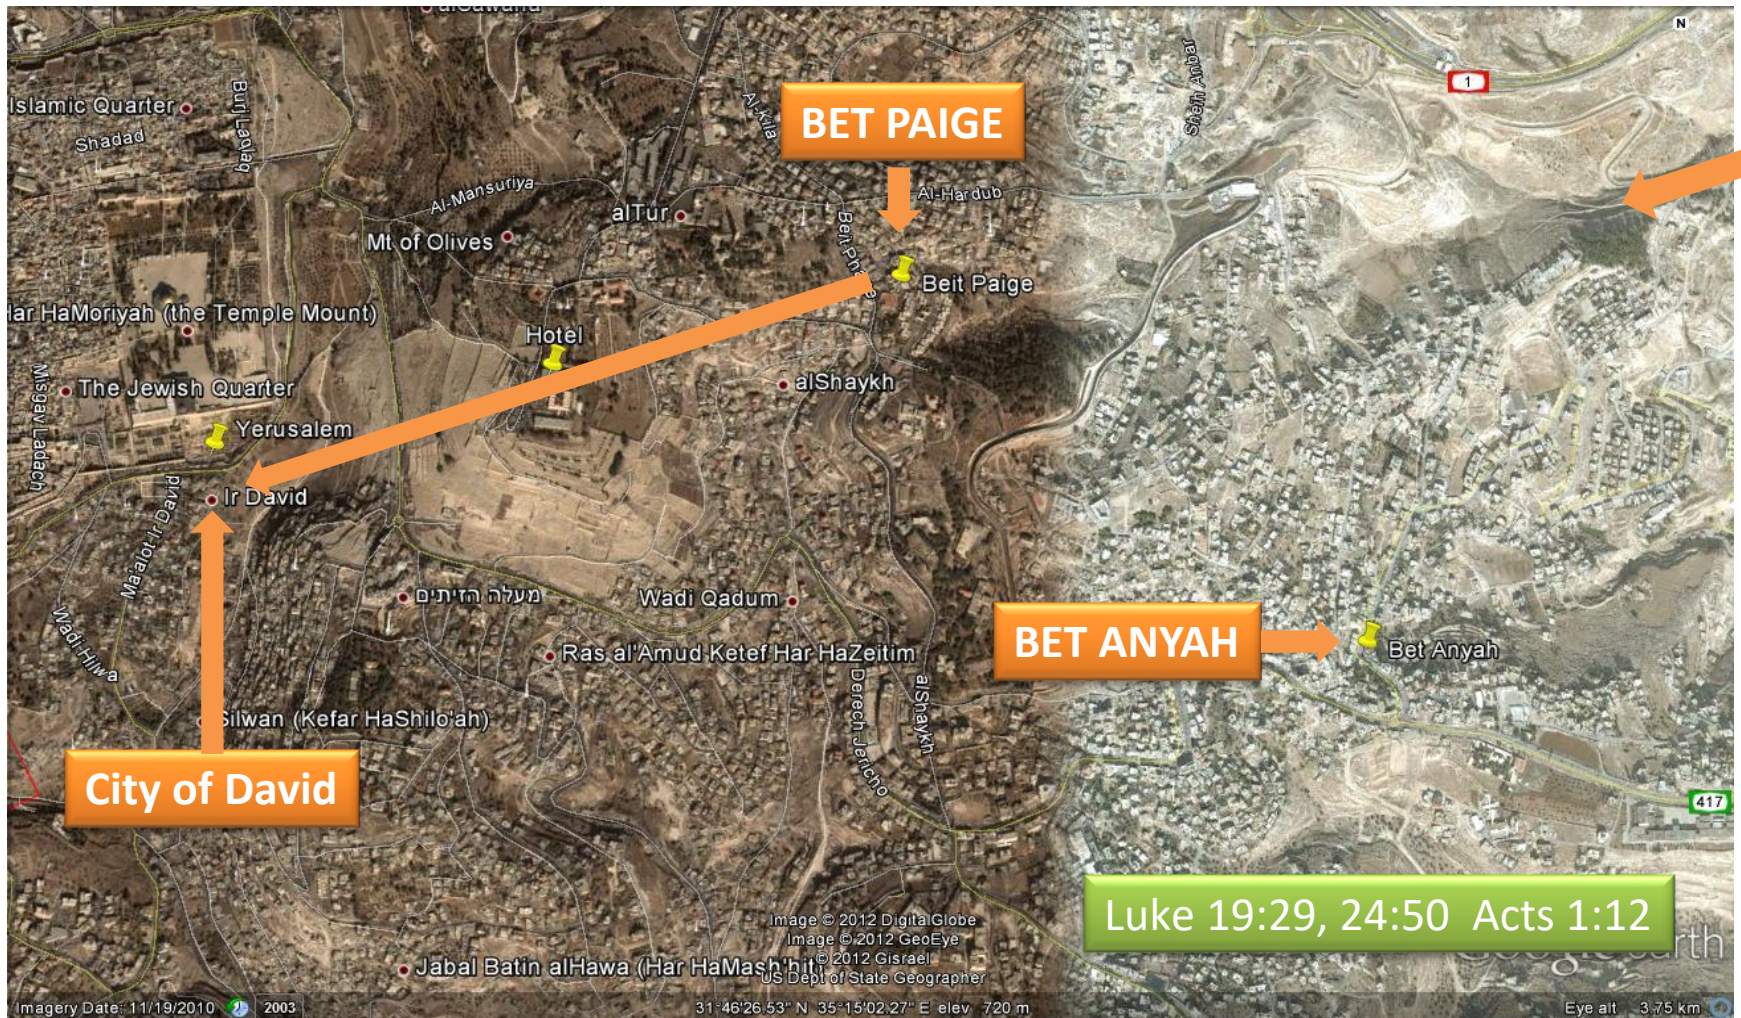

Yericho to the Resurrection

- **John 12:1** Accordingly, Yahushua, **six days before the Passover** came to **Bethany...**
- where El`azar was, who had died, whom He raised from the dead.

Yericho to the Resurrection

- **John 12:2** There they made him a **supper feast**; and Martha served...
- **John 12:9** Then a **great crowd** of the Jews **learned** that He was there. **And they came...**

Yericho to the Resurrection

YHWH'S CALENDAR

1. **Deu 16:1** “Guard the **month** of **Aviv**, and perform the **Passover** to YHWH your Elohim
2. **Exo 12:2** “This month is the beginning of months for you, it is the **first month of the year**.
3. **Lev 23:5** ‘In the **first month**, on the **fourteenth** day of the **month**, between the evenings, is the **Passover** to YHWH

"He has risen, just as he said."

Matt. 28:6

THE PROPHECIES

Just what did Yahushua say, what did He prophecy, regarding His death and resurrection?

We will need to determine just what He meant by the word, '**DAY**'. This study will reveal that He meant:

1. A **DAY** could be a **24 hour time period** with the start point at sunset [Lev 23:32]. *i.e.* a biblical **calendar** day. '**Today**' & '**tomorrow**' are biblical **calendar** days. [Exodus 19:10-17]
 - a) Using the inclusive counting method, **3** biblical **calendar days** could be from as little as **26** hours to as much as **72** hours.
2. A **DAY** could be a **24 hour time period** with the start point anywhere within a **calendar day**; e.g. from **3pm** one **calendar day** to **3pm** the next **calendar day**.

THE PROPHECIES

- **Luke 24:46** Prophetic time limit = **72** hours

Yahushua said, '...it was necessary for the Messiah to **suffer and to **rise again** from the dead the **third day**,... [Luke 22:63-66]**

- **Prophetic start time = Aviv 14 at ≈ 5 a.m.**
- **Prophetic end time = Aviv 17 at ≈ 5 a.m.**

THE PROPHECIES

- **Luke 24:07** Prophetic time limit = **72** hours

Yahushua said, 'The Son of Adam has to be delivered into the hands of sinners, and be **impaled**, and the **third day rise again**.'

- **Mark 15:25** And it was the **third hour [9am]**, and they **impaled** Him.

- **Prophetic start time = Aviv 14 at 9 a.m.**

- **Prophetic end time = Aviv 17 at 9 a.m.**

(At Passover - The scriptural 3rd hour is approximately 9:00 a.m.)

THE PROPHECIES

- **Matthew 16:21** Prophetic time limit = **72** hours

From that time **Yahushua** began to show to His taught ones that it was necessary for Him to go to Yerushalayim... and **be killed**, and to be **raised** again the **third day**. [Mat 27:46-50]

- **Prophetic start time = Aviv 14 at 3 p.m.**
- **Prophetic end time = Aviv 17 at 3 p.m.**

(At Passover - The scriptural 9th hour is approximately 3:00 p.m.)

THE PROPHECIES

Matthew 12:40

Prophetic time limit = **72** hours

“For as Yonah was three days and three nights in the stomach of the great fish, so shall the Son of Adam be **three days** and **three nights** in the heart of the earth”.

THE PROPHECIES

- It can be shown that **Mat 12:40's 3 days and 3 nights** requires at least: [see Strong's G2250]
 1. 2 full **daylight** periods + **part** of a 3rd, and at least
 2. 2 full **nighttime** periods + **part** of a 3rd.
- **Mat 12:40's resurrection time** cannot occur beyond the **prophetic time limit** of **Luke 24:46**.
[**Luke 22:63-66 + 72 hours ≈ 5 am, Aviv 17**]

THE PROPHECIES

- **Strong's G2250 - DAY [hemera]**

The time space between dawn and dark, or the whole 24 hours

but several days were usually reckoned by the ~~Jews~~ Scriptures as inclusive of the **PARTS** of both extremes

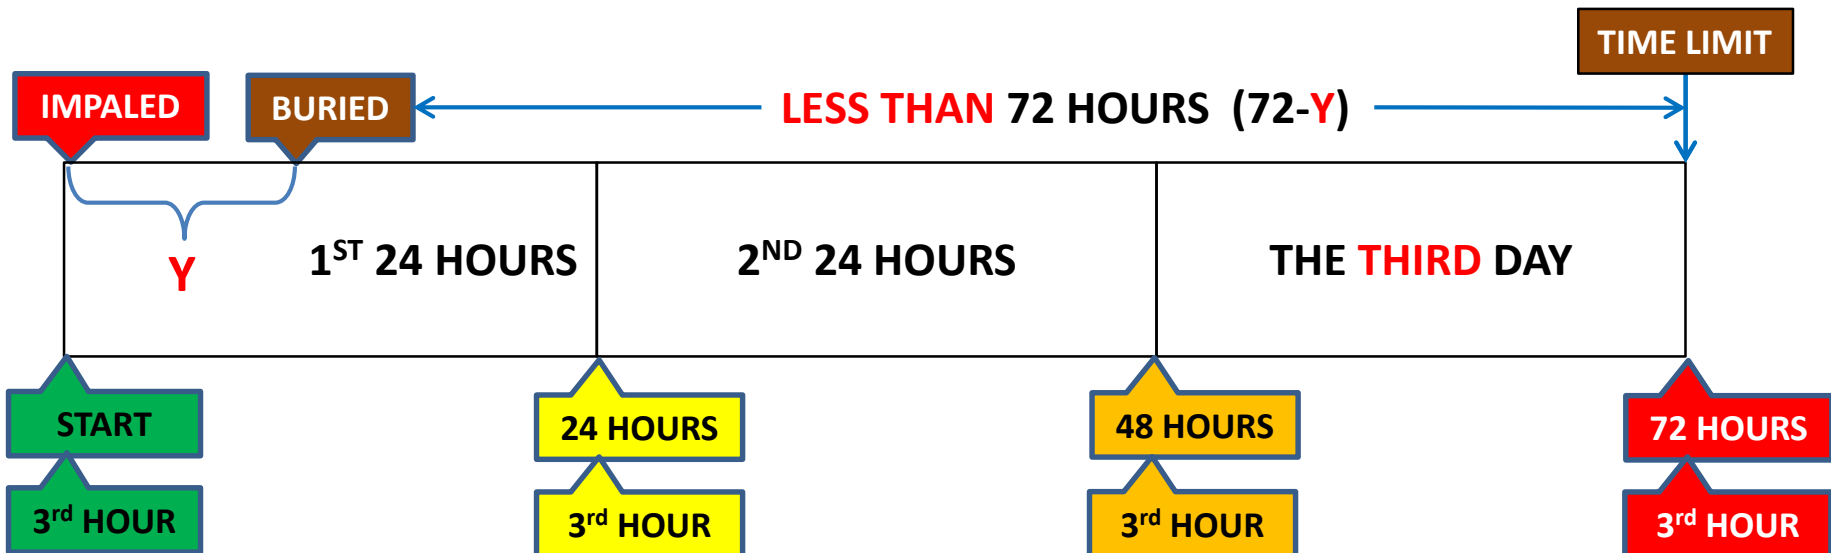

See Exodus 19:10-16

THE PROPHECIES

- **Mark 8:31** And He began to teach them that the Son of Adam has to suffer much... and **be killed**, and after **three days** to rise again.
- **Day 1** of the **3** would be the day He died...
Aviv 14 [inclusive counting] **Day 3=Aviv 16**
- The resurrection could NOT have occurred BEFORE **SUNSET Aviv 16**

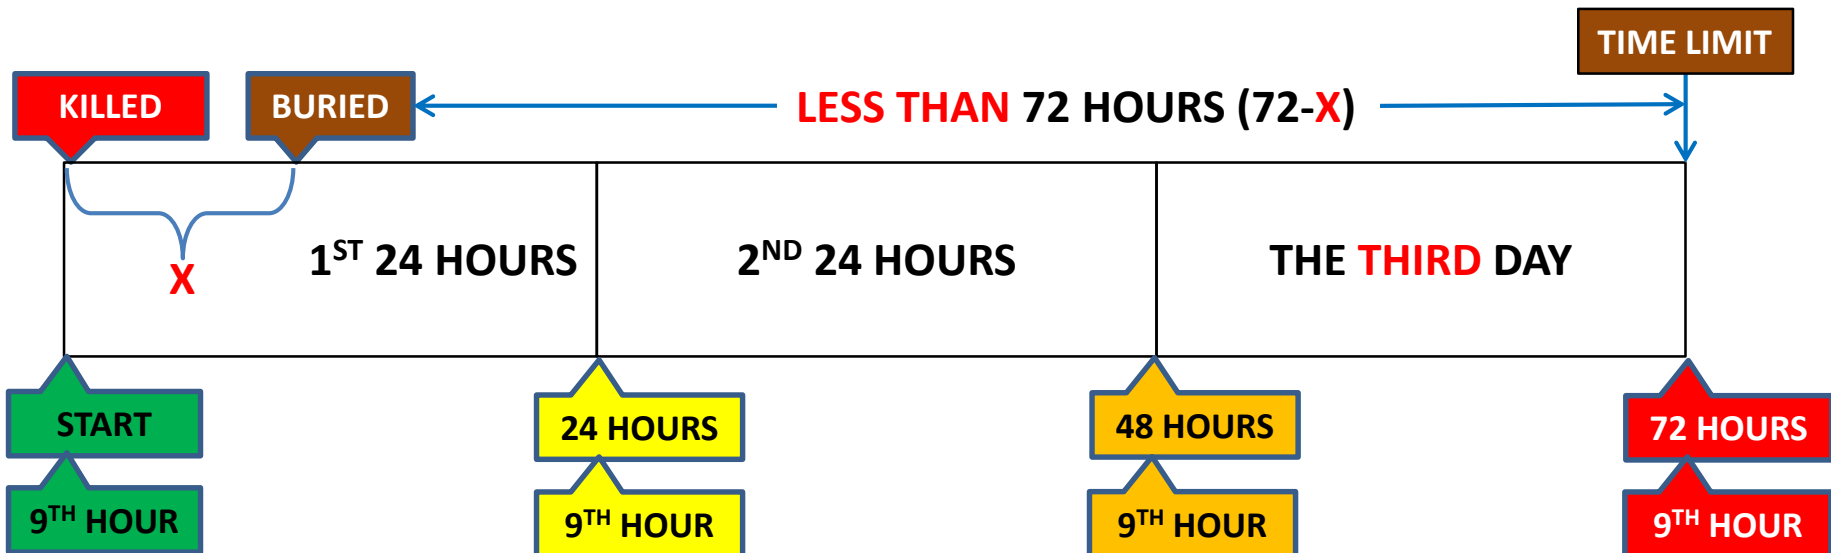

72 HOURS IN THE GRAVE ??

- **Luke 24:7** saying, ‘The Son of Ađam has to be delivered into the hands of sinners, and be **impaled**, and **the third day** rise again.’ ”
- **Mark 15:25** And it was the **third hour**, and they **impaled** Him.

72 HOURS IN THE GRAVE ??

- **Mark 9:31** for He was teaching His taught ones and said to them, “The Son of Adam is being delivered into the hands of men, and they shall **kill** Him. And having been **killed**, He shall **rise** the **third day**.”
- **Mark 15:34-37** And at the **ninth hour**... Y’shua cried out with a loud voice, and breathed His last.

THE PROPHECIES

- If Yahushua's burial **8 hours after** His impalement occurred at say, **5 pm, Aviv 14**, and If, Yahushua's resurrection at the **72 hour prophetic time limit** of Luke 24:46 occurred at say, **5 am, Aviv 17**, then Yahushua's **Maximum** time in the tomb would have been about **60 hours**. [Av 14= **1 hr** + Av 15/16= **48 hrs** + Av 17= **11 hrs**]
- **Mark 8:31** demands a resurrection **AFTER sunset, Aviv 16**. If His resurrection occurred **1 hour AFTER sunset, Aviv 16**, then His:
- **Minimum** time in the tomb would have been about **50 hours**

Matthew 12:40's **DAY 1** must be the short period of time on **Aviv 14** between **burial & sunset**. His resurrection in the **daylight period** of **Aviv 17** is ruled out by the **72 hour time limit** of **Luke 24:46**.

THE PROPHECIES

- In the charts that follow, colored bars represent each prophecy's **hour** length
- Mat 12:40..... a **brown** bar of **63** hours
- Mark 8:31..... a **red** bar of **72** hours
- Luke 24:46..... a **green** bar of **72** hours
- Luke 24:07..... a **green** bar of **72** hours
- Mat 16:21..... a **green** bar of **72** hours

Prophetic calendar days or 24 hour time periods or both?

Prophetic calendar days or 24 hour time periods or both?

Mark 8:31 The SON of MAN... has to be **KILLED**, & **AFTER 3 DAYS RISE** again. [Mt 17:1, Mk 9:2, Lk 9:28]
Matt 16:21 Y'SHUA began to show.. that He had to be **KILLED** and to be RAISED again **THE THIRD DAY**.

QUESTION: How can a resurrection on **THE THIRD DAY** be **AFTER THREE days**?

ANSWER: Only when **different** methods of counting DAYS [24 hours] are utilised.

1. YHWH's calendar days [24 hours] **begin and end at sunset**
2. A **time period** of 24 hour day EQUIVALENTS can **begin at anytime** of the day.

ONLY NOW CAN THE 3 DAYS AND 3 NIGHTS OF Matthew 12:40 BE DETERMINED

Both CALENDAR days & 24 hour TIME PERIODS are required to REVEAL the solution

An Aviv 17 resurrection **had to occur AFTER** the 3 **CALENDAR** days of **Mark 8:31**

An Aviv 17 resurrection **had to occur IN** the 3rd **24 hr PERIOD** of the **GREEN BARS**

An Aviv 17 **DAYLIGHT** resurrection is ruled out by the **TIME LIMIT** of the top **GREEN BAR**

Y'shua's resurrection **must have occurred** during the **NIGHT** of Aviv 17 [**Mat 28:13**]

A BIBLICAL SLIDE-RULE

**The truth of the last 10 days
of the Messiah, Yahushua.**

Part 2 - The Scenarios

A BIBLICAL SLIDE-RULE

1. When did the Messiah **arrive** in Bethany
2. When did the Messiah **enter** Jerusalem

A BIBLICAL SLIDE-RULE

**The truth of the last 10 days
of the Messiah, Yahushua.**

Part 3 - The Conclusions

A BIBLICAL SLIDE-RULE

1. When did the Messiah **arrive** in Bethany
2. When did the Messiah **enter** Jerusalem
3. What **day of the week** did the Messiah die
4. What **day of the week** was the resurrection
5. How **long** was the Messiah in the Tomb

THE SLIDE-RULE ANSWERS

CRUCIFIXION WEEK SCENARIO 6

1. Yahushua arrived in Bethany **Aviv 10** [**Sun**]. His **anointing** by Miryam likely represented **Yahweh's** selection of **His** Passover Lamb.
2. He entered Yerusalem **Aviv 11**, **2nd** day [**Mon**]
3. Yahushua died on **Aviv 14**, the **5th** day [**Thu**]
4. He was resurrected **Aviv 17**, the **1st** day [**Sun**]
5. Yahushua was in the tomb **50 to 60 hours**

Exodus 19:10-16

- My Sabbaths you are to guard, by all means,
- for it is a sign between Me and you
- throughout your generations

Exodus 31:13

THE CRUCIFIXION WEEK - CONCLUSIONS

- Yahushua was buried **before** the **Aviv 15 High Sabbath** [Luke 23:54]; a reasonable guess is, the **11th hour** of Aviv 14 [5pm].
- The women **prepared** spices & perfumes **after the burial** [Luke 23:56]. The **Aviv 14/15** fire was cooking the lamb [Exo 12:16].
- Following the **7th day Sabbath**, just after **sunset Aviv 16**, the women **bought** additional spices to anoint Yahushua [Mk 16:1].
- Toward dawn on the **1st day of the week** [Sun] **Aviv 17**, the women arrived at the tomb and found it empty [Mat 28:1-6]. The earthquake of **Vs.2** may have announced His resurrection in the same manner that an earthquake announced His death in **Mat 27:50-54**.

THE CRUCIFIXION WEEK - CONCLUSIONS

- The **short time** between Yahushua's burial and **sunset Aviv 14** qualifies as **DAY 1** of the 3 days and 3 nights of **Mat 12:40**.
- Yahushua rose from the dead during the **dark hours** of **Aviv 17**, the **1st day of the week** [Sun], NOT on the **7th day Sabbath**. The time between **sunset Aviv 16** and His resurrection, qualifies as **NIGHT 3** of the 3 days and 3 nights of **Mat 12:40**.
- The Greek, '***mia ton sabbaton***' should be rendered, '**day one of the week**' [Sun] as is commonly translated and NOT, '**first of the Sabbaths**' of the count to Pentecost [**Leviticus 23:15**].

THE CRUCIFIXION WEEK - CONCLUSIONS

- Yahushua **arrived** in Bethany **Aviv 10**. If there is any evidence of Yahweh **selecting** His Passover lamb, it was Miryam's **anointing** of Yahushua for His burial with a **costly** perfume of nard [**John 12:3**].
- It is quite possible Yahushua spent His **last 7th day Sabbath** in Yericho while staying at Zakkai's house [**Luke 19:5**]. His hike to Bethany must have begun in Yericho **early Sunday** morning.
- Yahushua entered Yerusalem on the **colt of a donkey** on **Aviv 11** [**Mon**] **NOT Aviv 10**. If 250,000 lambs were selected in Bethlehem on **Aviv 10**, it is quite possible Yahushua, **the Lamb of Elohim**, arrived in Yerusalem on the same day as those lambs; on **Aviv 11**.

THE CRUCIFIXION WEEK - CONCLUSIONS

Because Day 5 of 6 of John 12:1 was Aviv 14, the word 'Passover' of Matthew 26:2, Mark 14:1, Luke 22:1, and John 12:1 must refer to the Festival of the Passover [Exodus 12:14, 34:25; John 13:1], when the Passover meal of lamb [Exodus 12:8] was eaten shortly after sunset Aviv 14, on the Festival day of Aviv 15, the 1st day of Unleavened, Day 6 of 6 of John 12:1.

Mark 14:1 Now [Aviv 13] the Passover and the Festival of Unleavened Bread [Aviv 15] was after two days.

Luke 22:1 And the Festival of Unleavened Bread [Aviv 15] drew near, which (now), is (also) called Passover.

John 13:1 And before the Festival of the Passover [Aviv 15],...

were usually reckoned by the ~~Jews~~ Scriptures as inclusive

THE CRUCIFIXION WEEK - CONCLUSIONS

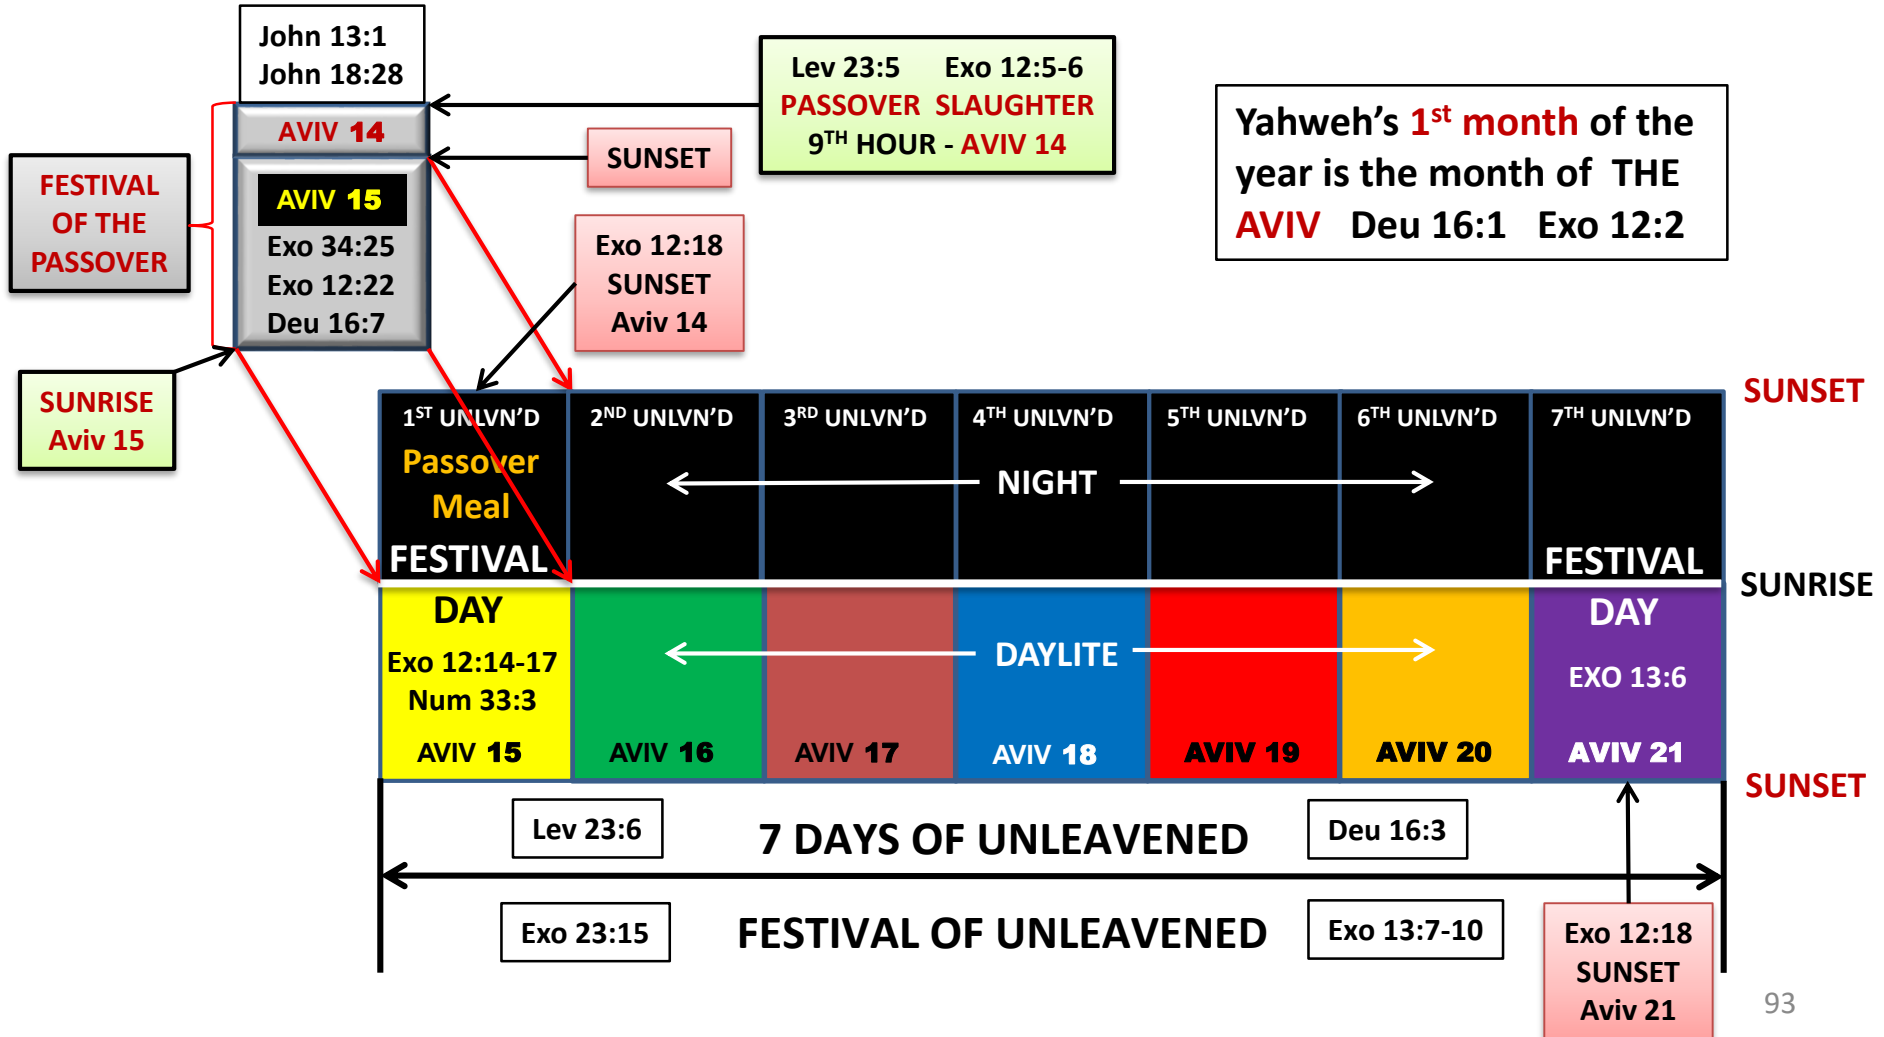

- There was **NO change** made to the timing of the **Exodus 12:8 meal** by Jews as claimed by **some sources**. Yahushua observed the Jewish Passover because it was Yahweh's Passover.
- Yahushua is our '**Passover**' [**1Corinthians 5:7**]. He desired and still desires his disciples to feed on HIM, the '**Passover**', the **Word**, symbolically, in the form of unleavened bread and fruit of the vine [**John 6:48-58, Galatians 2:20, Colossians 3:16**].
- During His last supper, Yahushua revealed a New Covenant directive on how to observe the annual **Aviv 15** Passover meal; in the place where Yahweh puts name [**Mt 18:20, Jn 4:23**].

THE FESTIVALS OF PASSOVER & UNLEAVENED

BELOW: The Festival of the Passover **OVERLAPS** the Festival of Unleavened by **12 hours** on **Aviv 15 in the 1st month**

The Festival of the Passover is **NOT INTERCHANGEABLE** with the Festival of Unleavened; they are **SEPARATE** festivals

NOTE: In **Numbers 9:9-12**, the Passover is performed but there is **NO** 7 day Festival of Unleavened in the 2nd month

THE CRUCIFIXION WEEK - CONCLUSIONS

Regarding Exodus... Chapter 12

1. Yahushua died at the **9th hour of Aviv 14**, at the **same time** the priests began the slaughter of the Passover lambs [**Exo 12:6**]. Yahweh designed the **1st Passover in Egypt** as a **shadow of things to come** [**Colossians 2:17**], knowing full well that Yahushua, **hundreds of years later in 30 CE**, would become the fulfilment of that **shadow** of Yahweh's plan of salvation.
1. The **Exodus 12:8 Passover meal** was eaten on **Aviv 15**, the **same night** as the midnight deaths of the Egyptian first-born.

THE CRUCIFIXION WEEK - PROVES

Regarding Exodus... Chapter 12

3. In verse 12, '**that night**', refers to **Aviv 15**
4. In verse 13, '**I shall pass over you**', refers to **Aviv 15**
5. In verse 14, '**And this day**', refers to **Aviv 15**
6. In verse 17, '**on this same day**', refers to **Aviv 15**
7. In verse 42, '**night to be observed**', refers to **Aviv 15**
8. In verse 51, '**on that same day**', refers to **Aviv 15** [see **Num 33:3**]

THE CRUCIFIXION WEEK - **PROVES**

Regarding Exodus... Chapter 12

9. Verse 21, '**Passover**', is the name of the lamb killed on **Aviv 14**
10. Verse 35, '**had done...had asked**', occurred before **Aviv 14**
11. Verse 36, '**gave them what they asked**', occurred before **Aviv 14**

(Moses gave YHWH's final warning to the Pharaoh on **Aviv 14**)
[**Exodus 11:4**]

THE CRUCIFIXION WEEK - PROVES

Regarding Exodus... Chapter 12

- **Aviv 14** is the day of the Passover slaughter [**Lev 23:4, Exo 12:6**]. A lamb called 'Passover' [**1Cor 5:7**] was killed that day. The name of the lamb, '**Passover**', is used in **John 18:28**.
- Nowhere in the scriptures is **Aviv 14** called 'Yom Pesach' or 'Passover Day'. Yahweh's wrath did NOT pass over that day.
- **Aviv 14** was '**The Preparation**' for **Aviv 15**. There is only one '**Preparation Day**' a year and it is NOT the **6th day** of the week.

[**Mat 27:62, Luke 23:54, John 19:31**]

THE CRUCIFIXION WEEK - PROVES

Regarding Leviticus 23:11

1. Yahushua's resurrection on **Aviv 17**, the **1st day** of the week [**Sun**], confirms that **Aviv 16** was/is **NOT** a repetitive annual date of the day of the **first-fruits** wave offering . Yahushua was the **first-fruits** of the resurrection [**1 Corinthians 15:20**]. The **Sabbath** of **Leviticus 23:11** refers to the **7th day Sabbath**.
2. If one could be positive about the death of Yahushua in the **year 30 CE**, as seems most certain, then the **Thursday Passover day** would establish that the **crescent moon began/begins** each lunar month of Yahweh.

PASSOVER - CHRONOLOGICALLY

In Summary

1. In the **Old** Testament, the word '**Passover**' usually refers to the **Aviv 14** Passover **slaughter**, the slaughter of the Passover lamb.
2. In the **New** Testament, the word '**Passover**' usually refers to the Passover **meal** eaten on **Aviv 15** shortly after sunset **Aviv 14**.

LET'S CELEBRATE PASSOVER

YAHUSHUA DID NOT DIE ON GOOD FRIDAY

If **Friday** was **day 1** of the **3 days and 3 nights** in the tomb, His resurrection would have been on the **2nd day of the week** [**Mon**]. The women found the tomb **EMPTY** on the **1st day of the week** [Sun].

WHY IS EASTER CELEBRATED INSTEAD OF PASSOVER ?

WHAT ARE EASTER'S ORIGINS ?
